

# Ewura-Tanesco-NVE, Institutional Cooperation/ Technical Assistance

Pre Study 3rd and 4th quarter of 2016 training for plant maintenance.

Norwegian  
Water Resources and  
Energy Directorate

## Background:

The pre-study consisted of two main parts; 1) the tariff and quality of supply training and fact finding and 2) further development of a Programme Document for a 4 years Technical Assistance Programme to EWURA and TANESCO. The pre study will service as a bridge until the Technical Assistance is in place, hopefully in Q3 2017.

## Overall Project Data

Partner:	The Energy and Water Utilities Regulatory Authority (EWURA) and Tanzania Electric Supply Company (TANESCO)
NVE Mandate:	Assistance to EWURA and TANESCO focusing on workshops for tariff settings and also quality of supply as well as fact finding and development of a Programme Document. Assignment with Norad.
Contract Value/ Duration:	MNOK 0,7, for the 2nd half year of 2016 and January 2017.
