S start of measurements

- not measured

* Austerdalsbreen, Briksdalsbreen, Bødalsbreen - the lower tongue was cut off, and measurements continue for the upper tongue.

** Store Supphellebreen, Hellstugubreen, Leirbreen, Storbreen – change 1999-2001

*** Koppangsbreen – in 2013 the glacier was subject to nine jøkulhlaups, and the original reference points were lost

**** Bergsetbreen, Bøyabreen, Kjenndalsbreen, Breidablikkbrea – measurements stopped due to difficult conditions

Glaciers measured by:

NGM – Norsk Bremuseum (Norwegian Glacier Museum – Fjærland)

NFM – Norsk Fjellmuseum (Norwegian Mountaineering Museum – Lom)

Stat – Statkraft SF

AN – Atle Nesje, University of Bergen

GK – Geir Knutsen, Tyssedal

SISO – Siso Vannkraft, Straumen

SKL – Sunnhordland Kraftlag AS
